

**Remarks**

This amendment is responsive to the Office Action dated February 20, 2004 and the Office Action dated August 4, 2004, in which the Applicants' Response dated July 20, 2004 was not deemed completely responsive to paragraph 11 of the February 20, 2004 Office Action.

In the February 20, 2004 Office Action, the Examiner objected to several informalities in the specification. It is noted that the third paragraph on page 7, line 25 - page 18, line 7 and the first paragraph on page 20, lines 1-5, were each amended previously in applicants' Response of February 20, 2004. Accordingly, the amendments requested herein presume that the amendments requested in the February 20, 2004 Response have already been entered. By this amendment, the informalities have been corrected, and it is requested that the objections to the application be withdrawn.

**Conclusion**

In view of the above amendments and remarks, reconsideration and allowance of all pending claims is respectfully requested.

Respectfully submitted,
